

UK REACH / EU REACH – COMPLIANCE STATEMENT

Protective Packaging complies with Regulation (EC) No 1907/2006 and subsequent updates of the European Parliament and of the Council of 18 December 2006 concerning Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH). Specifically, the products manufactured do not contain the substances listed in the following sections of this directive or the concentrations are less than 0.1%.

Compared to the updates of Annex XIV of this regulation, our suppliers have provided us with the appropriate declarations according to which their products **DO NOT contain the substances in the Candidate list update on the 25th June 2025 by the European Chemicals Agency (ECHA).**

The withdrawal of the United Kingdom from the European Union and the end of the transition period on 31st December 2020, on 1st of January 2021, the UK REACH Regulation came into force and it is applicable only to GB. The core of UK REACH remains the same as that for EU REACH – requiring the registration of substances manufactured or imported at greater than one tonne per year. However, some changes have been made to make it suitable for the GB market.

Protective Packaging Ltd is fully aware of the requirements of UK REACH. According to article 57 of UK-REACH. We declare that the materials provided to our customer **DO NOT contain any Substances of Very High Concern (SVHC) over a limit of 0.1% listed in the UK REACH Candidate List on 25th June 2020.**

Protective Packaging Ltd also guarantees that the materials received do not undergo any transformation and therefore are suitable for final use.

Our products are not classified as dangerous.

Should developments occur or if the situation changes we will advise all interested parties immediately.

Signed for on behalf of PPL.

Jade Fahey
QHS Manager
